*

SNAP/TANF case number validation.

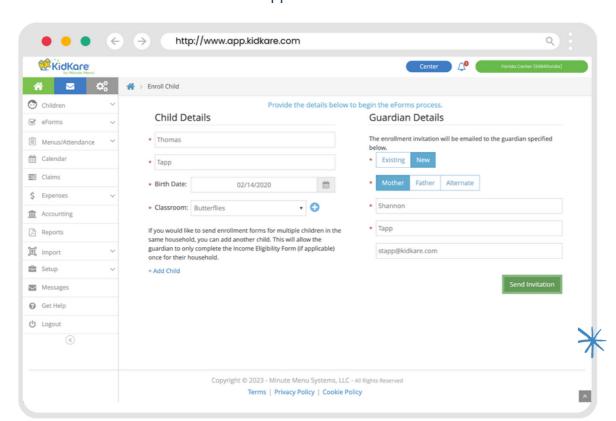

A large affiliated center chain experienced a significant reduction in staff effort, up to 95% valued at more than one million dollars, thanks to the implementation of KidKare eForms.

How eForms Works

Providers and Centers Enroll a Child

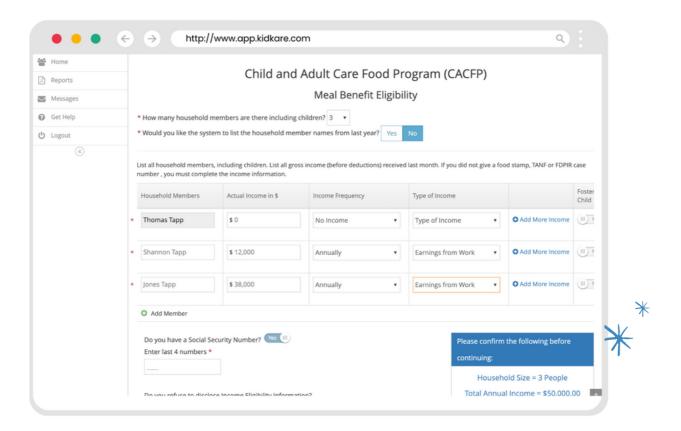

The center or provider enters minimal information about the child and parent or guardian and invites them to enroll and complete the Free and Reduced-Price application online.

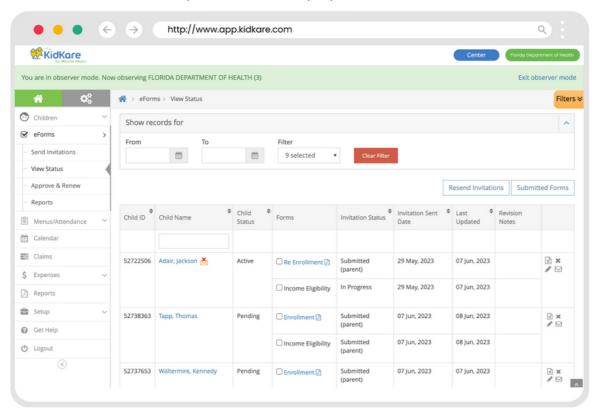

Parents are Invited to Complete Online Enrollment

A customizable email invitation using eForms is sent to the parent inviting them to complete the enrollment and IEF information online through KidKare.

3 View Status and Progress

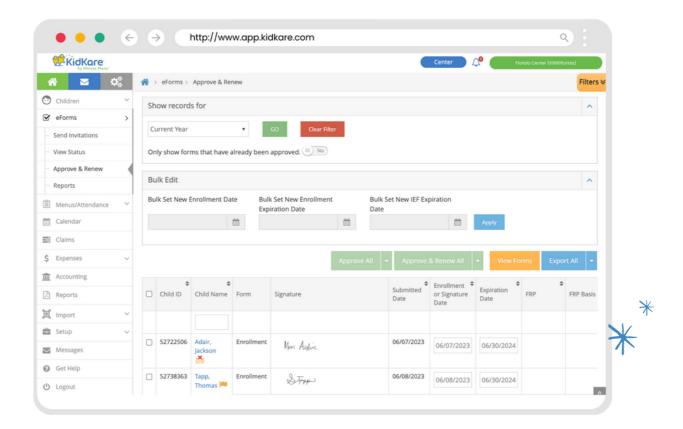

State Personnel and Sponsors are able to access the progress of all eForms by utilizing Observer Mode in order to help provide any technical assistance. Each activity related to the eForms is dated and time stamped for audit trail purposes.

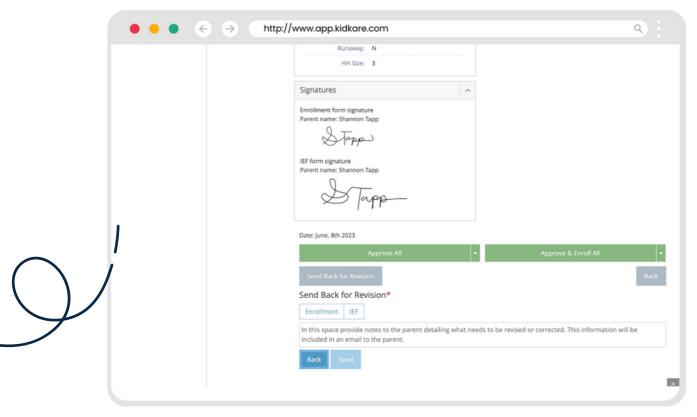

eForms are Submitted to the Center/Home

Once the eForms are complete, the parent receives a copy of their eForms via email and the Center/Home are able to access and review the forms on KidKare.

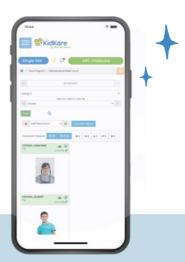

5 Approve or Send for Revisions

Centers and Homes can review the child enrollment or Free & Reduced-price forms and eForms then supplies options for when and how forms are approved and renewed. You can also send back to the parent for revision with a customized comment.

Meals & Attendance

Error-free attendance & meal counts with KidKare. We know that attendance and meal counts are the foundation of CACFP - our system is designed to make this seamless for both sites and reviewers.

Benefits:

- Home providers can be restricted to same day entry only.
- Centers can be restricted to recording meal counts by end of day, end of week, or only during meal service times.
- Home providers and centers can be required to record child attendance counts prior to recording any meal counts.
- Center staff can be required to certify by signature each recorded meal count.
- KidKare is designed to calculate only 2 meals & 1 snack or 2 snacks & 1 meal a day, limiting additional meals/snacks claimed.
- All users can upload their claim data into MIPS.

Say goodbye to paper-based systems and embrace a digital solution that ensures compliance with ease.

Users can't record meals outside of their designated entry times.
